

**Shielded doors**  
**Electromagnetic absorbers**  
**Filtered feedthroughs**

## Parts of

- Faraday cages
- Anechoic chambers
- Mode Stirred Reberberation Chambers
- Shielded or anechoic enclosures

## Solutions

- Range of high performance doors: single leaf, double leaf, sliding, manual / pneumatically and electrically assisted
- Broadband, high power, narrowband electromagnetic absorbers
- High/low current filters, signal filters
- Honeycomb grids for ventilation
- Waveguides for fluids, gases, optical fiber
- Penetration panels

## Scope

Design

Manufacturing

Assembly
